

PROCEDURES FOR COVID-19

1. Use of portable restrooms dedicated for our company.
2. Workers will wipe work areas upon arrival, and before they leave.
3. Employees will be asking occupants to keep a personal distance of six (6) feet at a minimum.
4. Workers will wash or sanitize hands before starting and after completing the work.
5. Site deliveries will be permitted but will be coordinated with as much minimal contact as possible.
